Attendees' registration (co-authors of registered papers, non-authors, students, ICALT participants)	Online	Free of charge
Banquet (for non-registered ITS2022 participants)	Onsite	40 €

INSTRUCTIONS FOR AUTHORS' REGISTRATION

- If you are the “registering author” for one or more full paper/short paper/ poster, please put its/their ID(s) in the corresponding field of the registration form so that your accepted submission(s) is/are included in the Springer’s proceedings. Authors **of more than one** papers have to pay 200 € for each extra paper.
- If **the only author registering** for the conference is a student, the full author’s registration fee should be paid (online attendance: 200 €, onsite attendance: 350 €).
- **Co-authors** of registered papers can attend the conference **online free of charge**, or **onsite at a fee of 150 €**. Registration is required through the ITS2022 registration platform (Name & Surname, Email, Affiliation and ID of the registered paper).
- In case of multiple paper registration, any of the co-authors of the paper can register as the registering Author.

The authors’ registration fee for each paper (200 €) allows publication of the accepted submission to Springer’s Proceedings.

INSTRUCTIONS FOR REGISTRATION OF NON-AUTHORS

- Students, researchers, ICALT participants and all other individuals interested in attending the ITS2022 Conference **online** can participate **free of charge**. Registration is required through the ITS2022 registration platform (Name & Surname, Email, Affiliation).
- Non-authors interested in attending the ITS2022 Conference **onsite** can participate at a **fee of 150 €** which includes coffee breaks, lunch, welcome reception and banquet. Registration is required through the ITS2022 registration platform
- Students interested in attending the ITS2022 Conference **onsite** can participate **at a reduced fee of 120 €** which includes coffee breaks, lunch, welcome reception and banquet. Registration is required through the ITS2022 registration platform. While registering, students have to upload their student ID.
- All **registered ICALT participants** can attend the last day of the ITS2022 Conference (July 1, 2022) free of charge. If they are interested to attend **onsite** the full ITS2022 Conference, they can do so **at a reduced fee of 120 €** which includes coffee breaks, lunch, reception and banquet. Registration is required through the ITS2022 registration platform. While registering, ICALT participants have to upload their ICALT registration receipt.
- Non-registered participants to ITS2022, who wish to come to the **Banquet dinner**, have to pay **40 €** through the ITS2022 registration platform. Registered participants, who wish to bring family members or friends to the Banquet dinner, have to pay **40 €** through the ITS2022 registration platform for each additional person.

BENEFITS FOR ITS2022 REGISTRANTS

All registered ITS2022 participants are given temporary free 4-week access to the online version of the Conference Proceedings on SpringerLink. In addition, they will have free access to the Demo Session of the Conference.

All ITS2022 registered authors can participate in the NiDS2022 Conference (<https://iis-international.org/nids2022/>) online free of charge and onsite at a reduced fee of 50%.

Free online and reduced onsite attendance does not apply to ITS2022 authors, who have papers in the NiDS2022 conference. These authors should pay the full NiDS conference fee for authors.
