

**ITS
2023**

Corfu
GREECE
2-5 JUNE

19TH INTERNATIONAL CONFERENCE ON Intelligent Tutoring Systems

“AUGMENTED INTELLIGENCE and ITS”

TRACKS AND TOPICS OF INTEREST

T4 : Neural Networks and Data Mining

Supervised Machine learning

Genetic Algorithms

Markovian regulation

Smart sensor networks

Determinate regulation

Games and strategies

Fuzzy systems

Web information processing

Applications of data mining in social sciences

Data-driven reasoning

Deep learning and statistical methods for data mining

Big data mining

Algorithms for data mining

Ethical data analytics

Data mining for recommendation

Uncertain reasoning
