

Registration Instructions ITS2023

CONFERENCE REGISTRATION

Dates

Authors registration: until **April 10, 2023**

Online attendees' registration: until June 2, 2023

Onsite attendees' registration: until June 2, 2023

General Information on Registration

- All dates refer to the Pacific Time Zone
- All fees refer to **Euros (€)**.
- Registration will not be completed until payment is processed and confirmed.

Authors' Registration: At least **one** author of each accepted full paper/short paper/poster must register until **April 10, 2023**, the latest, so that their accepted submission appears in the Conference Proceedings published by Springer.

REGISTRATION FEES

Registration Category	Type of Attendance	Fee
Authors' registration	Onsite	350 €
Authors' registration	Online	200 €
Registration of any additional paper	Onsite or Online	200 €
Attendees' registration (co-authors of registered papers, non-authors)	Onsite	150 €
Students' registration (co-authors of registered papers, non-authors)	Onsite	120 €
Banquet	Onsite	50 €

INSTRUCTIONS FOR AUTHORS' REGISTRATION

- If you are the “registering author” for one or more full paper/short paper/ poster, please put its/their ID(s) in the corresponding field of the registration form so that your accepted submission(s) is/are included in the Springer’s proceedings. Authors **of more than one** papers have to pay 200 € for each extra paper.
- If **the only author registering** for the conference is a student, the full author’s registration fee should be paid (online attendance: 200 €, onsite attendance: 350 €).
- **Co-authors** of registered papers can attend the conference **online free of charge**, or **onsite at a fee of 150 €**. Registration is required through the ITS2023 registration platform (Name & Surname, Email, Affiliation and ID of the registered paper).
- In case of multiple paper registration, any of the co-authors of the paper can register as the registering Author.

The authors’ registration fee for each paper (200 €) allows publication of the accepted submission to Springer’s Proceedings.

INSTRUCTIONS FOR REGISTRATION OF NON-AUTHORS

- Non-authors interested in attending the ITS2023 Conference **onsite** can participate at a **fee of 150 €** which includes coffee breaks, lunches and welcome reception. Registration is required through the ITS2023 registration platform.
- Students interested in attending the ITS2023 Conference **onsite** can participate **at a reduced fee of 120 €** which includes coffee breaks and lunches. Registration is required through the ITS2023 registration platform. While registering, students have to upload their student ID.
- For those wish to come to the **Banquet dinner, a 50 € fee** should be paid through the ITS2023 registration platform. Registered participants, who wish to bring family members or friends to the Banquet dinner, have also to pay **50 €** through the ITS2023 registration platform for each additional person.

BENEFITS FOR ITS2023 REGISTRANTS

All registered ITS2023 participants are given temporary free 4-week access to the online version of the Conference Proceedings on SpringerLink. In addition, they will have free access to the Demo Session of the Conference.

All ITS2023 registered authors can participate in the NIDS2023 Conference (<https://nids2023.iis-international.org/>) online free of charge.

Free online attendance does not apply to ITS2023 authors, who have papers in the NIDS2023 conference. These authors should pay the full NIDS conference fee for authors.
